Sporting Clay Card Readers

Stations 7-13 have EZ Pull Card Readers that you can set with none or 2 or 3 or 4 second delays so you can even shoot by yourself.

The cost is \$5.00 for the first card that can be refilled. It keeps track of how many targets you have shot and how many are remaining.

Targets for members are 30 cents each, just like with Sporting Clays. \$30.00 will get you 100 targets.

Targets for non-members are 35 cents each, just like with Sporting Clays. \$35.00 will get you 100 targets.

Cards and targets can be purchased at the clubhouse when it is open or at the front desk at ABC Seamless Siding, next to the KOA near Crossroads in Jerome. Credit cards are accepted there.
